

Pizzaman Guildford Allergen Information

Allergen information has been derived from specifications obtained from the suppliers of the products. We have taken all reasonable steps to ensure that this is accurate at the time of publishing. The Pizzaman website will be updated regularly should any changes occur.

Our colleagues need to be informed of your allergy every time you place order with us even if you have eaten the dish before so that every precaution can be taken in our kitchen to prevent cross contamination. If you have an allergy or any food intolerances, we ask that you consider our allergens information below before placing your order.

If you have an allergy or specific dietary requirement, please inform any member of our team by contacting our store directly before placing your online order.

Pizzaman is committed to strict hygiene procedures and all our staff are fully trained in our high standards. However please note, our store is a busy environment and while we try to minimise cross contamination between toppings, we cannot guarantee this at all times.

'N' means that the allergen is not part of the product. However, there is a risk of unexpected cross contamination in our store.

'Yes' in a column indicates that the product contains that allergen and is not suitable for you to consume if you suffer from this allergy.

'C' means that those allergens are present at the manufacturing site or in the supply chain and the supplier believes there is a risk they may have cross contaminated the product.

Pizzaman Allergen Handbook

Product Name	Suitable for Vegetarians	Suitable for Vegans	Suitable for Coeliacs	Cereals containing gluten above 20ppm	Soybean/ Soya	Egg/egg products	Milk/milk products	Fish Products	Crustaceans	Molluscs	Sulphur dioxide above 10ppm	Sesame Products	Celery Products	Mustard Products	Lupin Products	Peanuts or their derivatives	Nuts
