

DISHES AND THEIR ALLERGEN CONTENT

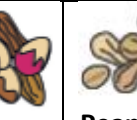

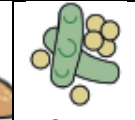

We're proud to freshly prepare lots of food, including our Vegan Friendly range in our shop kitchen every day. However, as we use many ingredients and share equipment, cross contamination is managed but not to an allergen-free level. Therefore, we cannot guarantee that our food is completely free of any allergens. If you require any allergy information, please ask one of our teams before your order. We change our recipes from time to time so check regularly
